

The Strawberry Patch Pre School & Nursery

New staff check list

At the Strawberry Patch we make our decisions on the suitability of new staff using evidence from:

- CRB Disclosures
- References from two people who have known them for more than 2 years.
- A C.V. showing their full employment history.
- A list of relevant qualifications.
- Interview procedure.
- Identity checks
- Medical checks
- Staff declaration form

All new staff will be made aware they must declare to the management any matters that may affect their suitability to work with children for example: all convictions, cautions, court orders, reprimands, and warnings.

Failure to do so may will result in the withdrawal of your application.
